Pacific Rim PET

PRT History

The Pacific Rim Traders LLC (PRT) was established in 2006 to provide sales and service to the Polyethylene Terephthalate (PET) industry in both North and South America. Headquartered in San Francisco, Pacific Rim PET is the direct extension of Dragon Special Resin (DSR) and in N. America and S. America. Sales Support 2015 for Lotte Chemical Corp via Paarang for US Market.

PRT is responsible for all logistics warehousing and sales for the North, South and Central America Markets. PRT is headquartered in San Francisco, CA

PRT is a full service supplier providing substantial technical support. Complete technical library available at NO cost.

Including:

- Drying
- Processing
- Handling
- Trouble-shooting
- Design Services
- Testing
- Compliance
